WHEREAS, California receives nearly \$77 billion in federal funding that relies, in part, on census data; and

WHEREAS, a complete and accurate count of California's population is essential; and

WHEREAS, the data collected by the decennial Census determines the number of seats each state has in the U.S. House of Representatives and is used to distribute billions of dollars in federal funds to state and local governments; and

Day Worker
Center

WHEREAS, the data is also used in the redistricting of state legislatures, county boards of supervisors and city councils; and

WHEREAS, the decennial census is a massive undertaking that requires cross-sector collaboration and partnership in order to achieve a complete and accurate count; and
